Subject: Wolverine - schedule for proposing consent agreements and discussion

Dear John and Scott:

While we had planned to transmit proposed consent orders today for discussion on Thursday the 28th, EPA and DEQ will need additional time to review the instrument that the other would propose; we expect to do that tomorrow and then transmit the proposed orders to you by email.

Accordingly, we propose a conference with you and the Office of Michigan Attorney General by phone at 2 pm Eastern Time on Friday, December 29th. I will arrange for a conference line.

Thank you,

Tom M. Williams
